want an answer to that question when you propose to elect to the Presidency the head of that army, who for a portion of that period was not only the General of the Army, but the state of the people want to know why the General of the Army, but the state of the people want to know why the state of principles they will adopt, and which set of candidates they will elect. Upon this subject I have but very few guarded by his late associates in arms. The criticisms, sharp and inge-Secretary of War. They want to it is that trade cannot be allowed to on our borders with the Indians, \$65. 000,000 were expended, in the fiscal that for the quarter when the candidate for the Presidency was the Secretary of War, it cost about thirty millions dollars, or at the rate of \$120 .-000,0000 per annum; \$2,000,000 to the regiment; \$2,000 to the man. The people will want the majority in Congress, when they demand the continnance of power beyond this period of eight years, to answer why it is that so much money is drawn from them by the extraordinary power of taxation, that it may thus go to support the most expensive military system that has ever been known in the world,

I might speak of some of these expenditures. I might speak of that favoritism in a small way that has shown itself in the publication in the newspapers that are favored by special legslation in the District of Columbia of notices for inconsiderable Army supplies upon the Rio Grande, and at the distant forts, when it was impossible from the date of the publication that any ene could receive in formation bysuch publication which wouldenable him to compete in the bidding. I might speak of other expenditures of worthy of any political party that given to the colored men. claims the confidence of the country, but I will not occupy so much of the it is that after the close of the war, them.

THE ISSUES DEFINED.

SPINECH OF

Hon. Thomas A. Hendricks in the United States Senats.

Mr. Hendricks Mr. President, it was my desire at the power, to remove from the same neighborhood, and mr. President, it was my desire at the power, to remove from the same neighborhood, and no notice whatever had been taken of the annual to the same neighborhood, and no notice whatever had been taken of the power to remove from the same neighborhood, and no notice whatever had been taken of the same neighborhood, and no notice whatever had been taken of the same neighborhood, and no notice whatever had been taken of the same neighborhood, and no notice whatever had been taken of the same neighborhood, and no notice whatever had been taken of the same neighborhood.

Severation Seymour stands upon this not sad I claim that the platform hoods there were broils and murders. Why sir, some time ago I read to the Senate, from one of the papers published in this city, a telegram coming from the central portion of Alabama that the platform and it is all the the platform hoods there were broils and murders. Why sir, some time ago I read to the Senate, from one of the papers published in this city, a telegram coming from the central portion of Alabama that the platform and it is all the the platform and it is all the time platform, and I claim that the platform explains itself, and standing upon this modes there were broils and murders.

Why sir, some time ago I read to the Senate, from one of the papers published in this city, a telegram coming from the central portion of Alabama that the platform and itself, and I claim that the platform and itself, and I claim that the platform explains itself, and I claim that the platform and itself, and I claim that the platform and itself and itself and I claim that the platform and I clai the political questions now occupying public attention; but the condition of my health to-day will only allow a

I have observed for some days past of the fathers, by the Executive all nated to military law, why the judge With a platform explicit and direct a purpose on the part of Senators who represent the majority to avoid the position of the defensive, and to asposition of the defensive, and to assumpe, if possible, that of the offensive in this political contest. In my judg.

In the interest sum of the defensive is divided so it lights upon no parstituted a military commander to decide upon the rights of the people; stand upon it. I need not, in addressin this political contest. In my judg. nothing to the people and guaranties secret commission and military court much time in speaking of Governor nothing to the fidelity and security of the citizen is tried for a criminal of Seymour. He has been long known the public service.

which they claim it is not just to make, and confining the inquiry to three years since the close of the war and the return of peace, there are certain important questions that must be answered. And, first, the people will desire to know, and, why it is that these States have an and, why it is that these States have an averaged. And, first, the people will desire to know, and they demand to know, in mand, why it is that these States have answered. And, first, the people will desire to know are all clients and the return of peace, there are certain important questions that must be answered. And, first, the people will desire to know are all clients and the return of peace, there are certain important questions that must be answered. And, first, the people will desire to know are all clients and the return of peace, there are certain important questions that must be answered. And, first, the people will desire to know are all clients and the return of peace, there are certain important questions that must be answered. And, first, the people will be a second of the southern States; why it is that you will command the confidence of the people.

I know that criticisms have been at home, and yet would seek to establish such a system of suffrage in ten of the States of the South; and what answer will you give? Do you tell the desire to know are all clients and the return of peace, there are certain important questions that must be an and the return of peace, there are certain important questions that must be an and the return of peace, there are certain important questions that must be an average of the Southern States; why it is that you will command the confidence of the avoid the responsibility of this issue at home, and yet would seek to establish the will be a sufficient will be a second of the southern States; why it is that you will command the confidence of the people.
